

Siri Vennela Kammari

Hyderabad, Telangana

sirivennela.635@gmail.com — +91-9063971048 — [GitHub](#) — [LinkedIn](#)

Professional Summary

Aspiring AI Engineer and B.Tech Computer Science (AI & ML) student with hands-on experience in machine learning model development, data preprocessing, and Python-based solutions. Proven ability to collaborate in fast-paced environments through internships and national-level hackathons. Actively seeking AI/ML or Software Engineering internship opportunities to build scalable, real-world systems.

Technical Skills

Programming Languages: Python, C, C++, Java

AI / ML: Machine Learning, Model Training, Feature Engineering, Data Preprocessing, Model Evaluation

Tools & Platforms: Jupyter Notebook, Google Colab, GitHub, OpenCV (Basics)

Databases: MySQL, MongoDB (Learning)

Core CS: Data Structures, Operating Systems, DBMS, OOP (Java)

Experience

AI Developer Intern

May 2025 – Aug 2025

Viswam.ai, Hyderabad

- Completed an intensive AI and Machine Learning internship focused on real-world problem solving.
- Developed and fine-tuned machine learning models using Python and Jupyter Notebook.
- Performed data preprocessing, feature engineering, and model evaluation to improve performance.
- Collaborated with cross-functional teams to design AI-driven solutions.
- Strengthened problem-solving skills and practical understanding of ML workflows.

Education

Vidya Jyothi Institute of Technology (VJIT)

2023 – 2027

B.Tech in Computer Science and Engineering (AI & ML Specialization)

Hackathons & Technical Engagements

- **Agentic Ethereum Hackathon India (2025):** Participated in a 30-hour national hackathon focused on AI agents and Ethereum-based decentralized intelligence.
- **IndiaAI Impact Gen-AI Hackathon (IISc + IBM Research):** Built and ideated Generative AI solutions addressing India-scale challenges.
- **HackWithHyderabad (Microsoft Office):** Collaborated in a team-based innovation sprint emphasizing problem-solving and rapid prototyping.

Certifications

- Salesforce Certified Administrator – GeeksforGeeks (5-week program)
- Python Essentials 2 – Cisco Networking Academy
- Operating Systems Lab – CodeTantra
- AI Summer Internship Program – Viswam.ai (4 Weeks)

Additional Information

- Strong foundation in programming and data structures.
- Actively contributing to GitHub projects and continuous upskilling.
- Keen interest in AI/ML, cloud technologies, and open-source collaboration.
